From Dorothy Kennedy Partain:

Dear PCAHS Friends,

Yes, we know the Gems is later than usual. We are very sorry to report that David Kelley, our editor, is ill. We wish him a very quick recovery. Shane Hill and I will finish this year's newsletter and will try to continue to do so into 1998 until David recovers, that is, if you want us to. We are aware that no one can take David's editorship and produce a newsletter as only he can. He is a reservoir of Pike County History. (Continued on page 8-117)

JOHN CROW MCLAUGHLIN'S CIVIL WAR LETTER TO HIS CHILDREN

State of Arkansas, Benton Co., Oct. 4th 1861

Dear children,

I am writing you all a few lines to let you know hat I have forgot none of you. I would be mighty glad to see you shortly though I am in hopes we will be

spared to see each others faces again. You must be good to your Ma and your old Grandma and do the best you can until I come home. I want you all to go to school all you can until I come back and learn to write so you all can write me a letter yourselves. Elija(h) and Tom, I wrote you a letter about a month ago. I told you in it that I had never got a letter from any of you and that I would not write any more till I got one and I got one the next day from your Ma though she never stated in it whether she had ever read one from me or not nor whether she had got my likeness or not. Now, here Polly is a lock of my hair. Does it look natural or not. I think it does though it may look a little more gray though it has had enough to have been all white as snow

Jane wrote to me and sent me some of John's hair and for me to send her some of my hair. You can divide this with her if I don't get to write to her and send her another lock. Betty Ann, I suppose you are going to get married before I return. If I was there I would be just like I always was, make your own choice, it is for you to live by and not me. Be careful how you make it as you are making a pretty serious one and a mighty long one, for life-time. Let it be as it may, therefore, be careful. Tress, I got your letter this morning. Tress how are you getting on, you and little Tennie. Has Tennie quit saying "shan't do it?" Lige howdy. How are you? Harriette howdy. Howdy Little Tom. Howdy little Becca. And how are you all. You must write soon as you can. So I must come to a close. Farewell to you all, to Jane, Tress, Betty Ann, Harriette, Lige, Tom and Beck.

Your father,
John McLaughlin

HISTORICAL PIKE COUNTY LETTERS CIVIL WAR TIMES AND OTHERS

**Mrs. James C. Mansfield to James D.
Mansfield**

Pike county, Aug. 18th, 1863.

My Dear son,

I am permitted to seat myself to write a few lines to you informing you that we enjoy common health. I

hope this will soon come to your hand and find(s) you well with you(r) mind composed and bearing your fate with resignation and fortitude trusting yourself in the hands of God. He can do more for you than I can. I know He is everywhere present and will turn no one off if we go to him in the name of Jesus with a sincere heart. I try to give you on to his care every day and how I hope and pray that God will preserve you and cause peace to be made soon in some way speedily that you can be released honorably and return home. Do not be disheartened this war is for some great purpose. If we have lost Vicksburg and Fort Hudson they must keep armies there to keep them which will weaken their forces. Members of them died in that hot region. We hear but little news from over the river since that defeat

As Amanda has written to you we have not hear(d) from Booker since the 5th of June. He was well and in with the recruits that Bragg sent to Johnson in sixty miles of Vicksburg. We have not heard from Kil since he left Camden we fear he never got to Booker. He said he would write to us before he crossed the river. We are all very uneasy about them but why should we be when we know they are (as) all of us in the hands of the Almighty. He knows what is best for us. Why should we doubt when we know God has all power in Heaven and on earth. If the people would submit to his laws (and) lay down pride and speculation this war would soon close. We must be humble. A few have got home from Fort Hudson. John Kelley for one. He has been sick ever since he came. They will keep the officers until they are exchanged. Their provisions gave out (and) they lived and fought sometime(s) on mules and horses before the surrender. We have not seen but two boys from Vicksburg since it was surrendered. Grant and Johnson have been fighting at Jackson, Mississippi. It is in the paper Johnson retook Jackson and Grant had fallen back to Black river. If Booker is alive he is there and Kil too if he got to them.

We received your welcome letter yesterday. We are glad to learn that your health was tolerably good. I hope you will get well and not have to be in a fight. If you get sick try to get a discharge or a furlough before you get too weak to come home. As I wrote to you before tell them you are weak bristed (sic) and subject to phthisic (sic) and can not stand camp life. Do not be backward in telling your case plainly to your officers. If they will not let you off no way perhaps they would detail you to

some other business. I hope you will be perserved some way. Ashley Kelley came by (and) he looks very bad.

Mr. Nolan could not get to Vicksburg safe to get his son. I have not heard whether his son is alone or not. We hear now that John Cloud was not hurt but his cartridge bag was shot though. He is gone with the rest of the officers some hear they took them to Orleans. Some say they were sent to Illinois. I know you will think we have forgotten to write to you. We sent a letter to Little. Your uncle Gilmer took one to Cook near a month ago. We hear they started week before last and heard on their way that Cobbles Army was ordered to the Rock (and) they came home. I heard that (they) was at home last week. I am sorry they did not take all your letter(s). Clay Polk was to start the 8th of this month (and) rode as far as town by Marion. When he went there they put off starting until the 18th. Clay and some men I suppose have started. I sent a blanket, one pair of socks, and a double letter to Clay to take to you. If he will Marion is going today to take another report and your things to Clay. I do not know whether he will carry them or not. They have a wagon Marion says.

He got word from the Capt(ain) by some man that came down lately that if his ear was still running to stay until he got his winter clothing to take with him. I hear(d) the man told Dr. Mauney this news (and) he had reported by Cook and Little. Now he has reported by Clay some of you will certainly be detailed to come for some winter clothes. Here is your overcoat, shirts, and another pair of pants and socks. You can not do without them, unless you can get some by drawing. Howard promised your Pa to make your boots as soon as he can get leather. Leander will get you a hat as soon as he can. He says it is a long time before they can be got after the hatter promises. Leander has been sick (and) had not seen the man that has your watch. He heard he had it and expected to get it the first time he sees him. Amanda wrote to you last night by Clay. She dated her letter a day ahead. She told you some news. Perhaps you may get this first. I will mail it to (the) fort for fear you do not get those we have written by hand. This will start tomorrow. I must come to a close. Your Pa is taking the second field of fodder this week. Tell me if you need paper (and) write every chance. May God bless you.

A.T. Wingfield to Emily Wingfield

Ark. Post, Arkansas County
November the 15, 1862

Dear Wife,

I lift my pen this morning for the purpose of dropping you a few lines in order to inform you that I am well at present (and) hoping at the same time for these few lines to find you all well and getting along fine. McLaughlin got here yesterday with my clothes. I was proud to see them for I was needing them very bad especially my coat. I thank you very kind for them till you are better paid. I am in hopes it won't be long before you are better (paid). You wanted to see about them fitting me, they fit me very well, as well as you had me there to cut them out by. Emily, I thought the time very long about getting a letter from you. I don't want you (to wait) to mail till you can get a chance to and it by hand. Send it by mail.

Emily, I don't want you to get out of (illegible) because William, poor fellow, died. Emily, the reason why I write this I am afraid you will grieve you(r)self thinking it will be my time next. William suffered a great deal before he died. The Doctor gave him a dose of morphine, like Tuesday at ten o'clock and in two hours afterward he had a fit and he suffered from that time till he died which (was the) next day morning. I believe that (the) morphine killed the poor fellow, for I know that just before (taking) it, (he) was sitting up talking to me and in fifteen minutes he was speechless.

We will move in our winter quarters in a day or so and I think we will surely have better health. If we don't we won't have much company for we lose a heap of men. We have lost eleven or twelve men since we started from home the last time and their health is getting worse every day. I kept one pair of William's socks and one shirt and pair of drawers (and) as his clothes was all dirty I had him buried in mine. I have written all the news. I will come to a close. We are trying to make up money for Finn McLaughlin to come back. If he does come you can send anything you want by him. Be certain to send me a letter by him. I will come to (a close) for this time. No more for this time but remain your affectionate husband until death.

John W. Kirkham to James F. Kirkham

Tomlinson P.O., Scott Co., Arks.
November 10th, 1878,

Mr. J.F. Kirkham,

Dear Brother, I embrace this opportunity of writing you a few lines to inform you that I am still on praying grounds and pleading terms with the, our Lord, and enjoying good average health at present. There has been some sickness and several deaths in this part of the country this fall.

Well Frank, I have no news of importance to write you more than we have had a beautiful fall here for gathering crops. We are getting along slow with our cotton. We have got about six bales and got some 4 or 5 to pick yet. We made about 500 bushels of corn, 100 gallons of molasses. I will give you the prices of produce in this country. Corn is from 30 to 40 cts. per bu., oats 30, molasses 50, cotton 7 to 8 cts. (and) other produce in proportion with the above.

I got the old gray horse, yet, he brought me home safe and sound ... (not legible) ... have refused several good trades for him.

Mr. Long's family is all well. James Long is married, he was married on 24th of last mo. John Doss is well and well satisfied, he likes the country fine.

Well, as it is getting late, I will come to a close. Write soon. Give my respects to the family and receive a good fortune for yourself. So nothing More.

Only remain, yours truly,
J.W. Kirkham

Letter provided by Faydra Starnes, Houston, Texas, 1979.

John and Sarah Stevens to Oliver and Margaret Brewer

Arkansas, Pike County,
July the 9 day, 1855

Dear children, through the great mercy of that providence that rules all things to his own will, I

am permitted to say to you that we are all enjoying tolerable health, but Galla was taken last night with the cholera morbus and is not clear of it yet, but I hope it won't hold him long. I have had a heavy spell of it myself and am just a getting about. I earnestly hope these lines will reach you and you will all be enjoying the best of health and all your connection in that country. Your connection here is all well. Times is and has been poor. Times harder (and) arduous than ever was known since the first Settlement was made in the country and not only here, but every State that we have heard from. Corn has been from \$1.50 cents to two dollars, bacon from \$15 to \$20 and now not to be had at all at no price.

There has not been a boat run (on) Red river, yes, one, and that is all since last Spring year. Their ain't one sack of coffee in our country nor a sack of salt nor won't be till it can be made up here at the old Salt works between here and the Choctaw line and I hope you are a doing much better that what we are and I hope you will try to be contented and prepared to do well through life.

If I never see you again I wish you all the blessings that life can afford. I assure you that you are as near my heart as any child or children I have. Certain you are not often out of my mind long at a time. I now, I crave to see you both and the baby than every thing in this life, but that (is) impossible, yet if ever it should be the case in life.

So now none of the connection is married nor nothing strange took place, but T.R. Stevens has Sold his land to his uncle Edmond Forrister and he has bought up on the clear fork where your uncle Oliver Brewer used to live.

Over crops this year, as yet, looks tolerable well, but we are very dry now and has been all the year and (if) rain don't come quick and a heap of it, we can't make nothing like a good crop, and if this crop is light like the last crop was, people can't, two thirds of them, get bread certain and sure. So if you are in a country of plenty, like Lookout Valley was when we lived there, and you enjoy good health, try and be contented. I assure you that I am determined to get from this country somewhere, but I am not finally decided where it will be. I would come there but I can't think it would be safe at all to undertake it, the Indians is so hostile, all of them from Fort Smith clear through the whole route (to) the Kansas country.

Country is a settling very fast and there has been a great discovery of gold up on the Arkansas river and on the Ouachita mountain about three hundred miles from here and the people is in a mighty stir and a going at a rapid rate and if nothing takes place strange, there will be by Christmas, there will be fifty thousand men in the mines by that time without a doubt. There is large companies going every day and they say there has never been richer prospects found in the Island of America. Though the gold stimulates the people in general, but I assure you the signs of the times greatly compels us all to think about how our substance comes and where from. Dear children, keep your mind and heart desire to that great being who has power to cut over bread and water from us all in a very short space. Let us never forget him, for all the great prospects of gold or rubies, for I tell you now the greatest happiness man and woman can have in this life is to have good water and land and make a plenty to live on and do so and then you are supping the sweet juice of the earth in abundance so full filling your own through this unfriendly world.

Now my dear children, you say you have not had but one letter from me since you left. I surely have wrote four before this and would have wrote ten, but T.R. and Galla and the girls was a writing of ten. I think we have got 8 from you and from T.D. I think about 18 or 20, so I assure you both the reason of my not writing often, it was not for hard feeling 'certing against either of you. Certain as I told you in my house I would have been glad you could have found a country that you all could have been satisfied closer to me. I assure you I would have been there long before this time certain. So you say to me you are both satisfied, so I say to you that satisfies me much better that to know you was suffering in this country.

I assure you that there is one fourth family in this country has got one pound of coffee or salt in their house. Its not the poor alone nor rich, it is all. Nor a gallon of molasses, meat and bread and milk and butter.

Yes, Margret, I liked to forgot to tell you both now, that the Governor of Georgia had to call the country together for the purpose to get grain for the people's bread.

Your grandmother and uncle Galla and the children was well this Spring. I tell you now I hope that kind providence that has watched over

all, over meandering in this life, will still continue with us all through all this unfriendly world and finally stand by us all in the ... hour of death and finally receive us all to himself where grief and sorrow will vanish away forever. So that will be enough for us and tell the little darling of a pup that she has got a grand(father) and he would like to see her certain and grandmother and uncle and aunts, and I reckon if she was here a little while she would not think us friends, but we would like to see the ...

So I don't know what more to say, I, for you will never get it, but I will start another soon. David Brewer & John Brewer is a writing and surely you will hear from us. So we all send howdy to you all from the center of our hearts, every one of us, so we remain your Father & Mother, brothers & sisters, all through life.

S.H. Harvey to Brother Fanning

Reports From Arkansas.

Dear Bro Fanning: ... brother Robertson. He is doing a good work, but his field is too large. He has just now called at my office and informs me that at Wolf Creek congregation, he has just closed, on Monday night last, a very interesting meeting, with sixteen additions, and two others at the church near Bro. Jones', in the same (Pike) County.

As ever, your brother in Christ,

S.H. Harvey

Elijah Kelley Sr. to Brother Fanning

Antioch Congregation,

Bro. Fanning: This congregation has been in a divided condition for near two years. Our much beloved Bro. John S. Robertson commenced a meeting here last Friday night which continued Tuesday morning; the weather was unfavorable, but the result was glorious; the spirit of our Saviour seemed to return to his people again, and union and order restored in the house of God. It was a time of rejoicing indeed, all parties agreeing to lay aside all former causes of division, and put on the robe of righteousness, without blemish, and live as children of one family. May the blessing of God be to us in every effort to do good. The result was five additions by confession and immersion, and ten restored in the bonds of love and union. All praise be to our Heavenly Father.

John S. Robertson to Brother Fanning

Success of the Truth.

Washington, Ark., Dec. 8th, 1858,

Dear Brother Fanning: We have just closed one of the most happy meetings at Antioch, Pike Co., that has ever been at that place. There had existed an unfortunate division in the church at that place, which was adjusted satisfactorily to all concerned, and five were immersed. The prospects are very flattering for good to be done in the future, at that place. O, may the brethren live in peace and love!

May the Lord bless you in your labor of love,

J.S. Robertson

Mr. Samuel McFadden,
Bills, Arkansas.

Dear Sir & Friend,

Yours of the 21st inst. received June 30th and in answer would say that you with several of us went into service as volunteers in May 1862 (and) organized a company with G.A. Galhaghan as Captain (and) went to Little Rock and were organized into Col. Pleasant's Regiment as Co. E of said regiment. Col. Pleasant was killed at Battle of Prairie Grove & Lieut. Col. Bell took command of the Regiment & (it) was known as Bell's Regiment, but was afterward known as the 29th Regiment Trans-Mississippi Infantry. Our Co. (was) still known as Co. E. (and) that you served as private in said Co. from May 1862 until the close of the war May 1865 (and) that you were a good and faithful soldier during all of that time (and) that you were badly wounded at the battle of Prairie Grove, December 7, 1862, and was unable to rejoin (the) Company until the following spring.

G.W. and M.H. Walker to W.N. Trout

Georgia
April 21st 1853
Gordon County

Dear Son, after a long time I take my seat to mail you a few lines which will inform you that we are all in tolerable good health at this time hoping that those lines will come to hand and find you and your little children enjoying the same blessing(s) of an all wise providence. The family connections is all well so far as I know. We received your kind letter the 26(th) of March which gives us great joy and consolation to hear that you were all well. We were not very sorry to hear of your being so much dissatisfied with the Land of Promise. There has been one death in the family connection since you left. Hiram and Sarah has lost one of three

children, little Thomas. He got choked with a persimmon seed which terminated in death. I saw Doctor Clemons when he opened his wind pipe but could not get the seed.

There is little or no change in times since you left. Land is yet high. James has sold his place to Alexander White for \$275.00. He speaks of going too. Walker Halsomback has sold out since he returned from Texas at Twenty Seven hundred Dollars.

I will give you my reasons for not writing to you before now. After he returned I went down to see him and in as much as your wagon was not unloaded when he left, I thought that you were on the road back to Gordon, until I received your letter. You stated in your letter that you did not like Texas for it (is) too mud(d)y and disagreeable. If it has been any mud(d)ier than Georgia has been this winter I don't want to see it. I had never seen such a time for rain as this winter has. The river has been from 3 to 7 feet above common winter tide for the 4 last months. Thomas and Sarah Waters is married. Also William Barnett and Almeda Tomblin is married. Frosty is yet single. Shamley got (a) judgement against Reeves for four thousand dollars in the case of slander. The other two cases not touched. I've nothing of interest to write to you only I want you to write often to me and direct your letters to Floyd Springs. Excuse my letter and bad handwrit(ing) and I will try to do better the next time I write. So nothing more at present. Only remain your loving Father and Mother till Death us Doth Part and if we shall (not) be permitted to see each other's faces on earth may we be prepared to meet in Heaven where parting is no more. So farewell, our loving son, farewell.

John and Diadama Morris to W.N. Trout

Caddo Cove Post Office
Montgomery Co., Arkansas

Mr. W.N. Trout
Georgia Gordon Co.
June the 16, 1854.

Dear brother W.N. Trout. I state to you that I re(ceive)d your kind and affectionate letter which found us all in good health. Dear brother, it came to me unexpected, for I had come to the conclusion that you had got so rich in Texas that you had forgot all of your kindred in good old Ga. But I will just state to you that we are still poor in Ga. yet and haven't forgot none of you, hoping to our heavenly Father that these few lines may arrive to you and find you enjoying the richest of heavenly happiness, health and prosperity and that good old faith that once was delivered to the saints - for this is the rock of salvation - and if we never should ever meet again on earth, this is the faith that will bring us to meet in glory where the parting of poor pilgrims shall be no more, where we shall meet our friends that ... (have) gone before us ... (that) died with faith.

To call back 10 years Nesbit and to see our friends that was here then that is gone and left us, and to see how the balance is scattered in this (poorest) world fetches serious reflections upon me. Here is a weeping mother. Here is ... weeping sisters. Here is John Morris - here yet in the land of Ga. How (foolish) like. He wants (to) stay his heavenly Master's time here on Earth and then to take a cold grave by the side of one of those friends that is gone before me. No more on this subject.

God bless you all dear Brother. According to your request, I will try to answer you. First there is health in our land and times are good. The country (is) improving. First land is about like it was in prices. Some few deaths occasionally. Produce is high. Corn is worth 65 cents, bacon 10 cents, other things in proportion. None of the old citizens is gone from here. They are settled. They say there has been several (have) been to look at Texas and Arkansas and don't like (it) at all. I got a letter from J.H. Trout yesterday. He has moved (to) Sevier Co., Arkansas, Mineral Hill post office. He stated he was well at present but in a bad fix. His steers died and he had to stop. Anyhow he said he was afraid of sickness there, but could not get

away for the lack of means to travel on. Mr. G.W. Walker is a working close by me (with)in two hundred yards on a house, and when he gets done there, he is going to do some work for me. He said (they) are all well and wants to see you back in Ga. in the white settlements. Frank is a living close by me (with)in a quarter. He and family are all well. J. Davis is well and family and doing well. (?) strange in Ga.

John Morris

You must look over my hand writ(ing). I cut my thumb(b) with a sight blade and I can't hold my pen good. Some lines from Didama.

Dear brother. I am well at present hoping you (are) all the same and your little children. I want to see you and them again while here on earth. Give my respects to all of my cousins and uncle (and) all the connections. Dear brother I think you would do well to come back and live in Ga. with your little babes. Mother wants you to come back. She is well and Susannah, she is generally well. No more at present but remain your sister till death.

Farewell.

E.D. Morris to W.N. Trout. Brother W. Nesbit

Dear Brother. I want you to write to me oftener than you have and if I live I will to you. I never will forget you as long as I live. I have thought of you a many a time since you left me. Notice and I will send you a paper that will give you the daily news of Ga. So I want to be remembered by all of you to them cousins by letter and by (love). So dear friend I must come to a close. My letter is like us all. It has got a beginning and ending. So don't forget me. So no more at present but remain your Brother till death separates us on earth. True to the end.

Recent Background

The business accounting ledger of John B. Power b: 1816 was handed down to his son Stephen Wesley Power b: 1851, to his son Charles Theodore Power b: 1872, to his son Jesse Earl Power b: 1895, to his son Charles Jennings Power b: 1917, to his son Charles Kenneth Power b:1940.

Historical Background

The business accounting ledger of John B. Power of Powers Shope, Laurens Co., South Carolina, starts in the year 1847 and continues in South Carolina until his move to Pike Co., Arkansas in the late fall of 1858. Thereafter the entries are made from Arkansas through the early 1900's.

John B. Power was a merchant/mechanic in Laurens Co. SC. His shop fixed tools, wagon wheels, wagons, made coffins and whatever else that was needed. He also sold supplies to the surrounding community. His shop was also a place where the mail was brought to and sent from. It was known as the Powers Shop. In the fall of 1858 he sold most of his holdings and moved his family to AR. The reason for the move is unclear, but one would guess that the talk of the unrest and a possible war inspired John and his family to move west.

After arriving in AR, he soon started up his business again there. Today, Powers Shop, Laurens Co., SC is called a historical place. Many of the names I've listed in the 1858 sale were written on separate sheets of paper and inserted into the ledger.

The top of the first page of the included sheets said, "**Sale bill of the goods and chattles of John B. Power, September 27, 1858.**" Like a big garage sale, everyone in the area must have come to buy things. **Note:** John sometimes spelled the same name in different ways. All spellings are listed as he wrote them in the ledger. Some names may be listed more than once. Every transaction by each individual has been transcribed.

Stephen Wesley Power owned a saw mill and a grist mill near Mufreesboro, Pike Co., Arkansas from the late 1800's until sometime in 1905 when he moved his family to Indian Territory, OK. The list of names below give the date of purchase and sometimes a few notes.

Ms. Partain:

I am writing to you in reference to Shane Hill's discussion with you regarding my search for family connections in the Murfreeseboro area.

I am interested in the Ward and Tarpley connections going in both directions. I have been able to locate my ggf Rufus Garland Ward through a property deed recorded in the Murfreeseboro

court house in 1895. The seller was my ggf Granville W Tarpley and his father-in-law. From a copy of the GEMS I found what I think is evidence that GWT's wife, Leana or Leanah Tarpley was a daughter of David Mobley.

I Think the Tarpley line starts with GWT as he was born in Tennessee. RGW's place of birth is unknown and I have only an unconfirmed date- 1866. He is reported to have two brothers a John and an Ike. RGW and Eliza Jane Tarpley had three children before he died on a journey to Dallas, Tx by covered wagon in 1898. Their names were John Wesley Ward, William Edgar Ward (gf) and a Sally who died at two or three years of age. I am particularly interested in identifying RGW's parentage.
Thank you for your assistance.

Dear Ms. Partain:

Thank you so much for your letter of 24 March. I appreciate your help. Yes, William Nelson Cox is my grandfather (he died in 1944 in Texas). He was married to Mary Catherine Andrews in 1874. The reason you don't find them in Arkansas in 1900 is because the family had moved to Indian Territory, where my father was born in 1898, in what is now Stephens County, Oklahoma. One of the grown children stayed in Oklahoma, but most of them moved to Texas, where their descendants are scattered all over now.

I would very much appreciate it if you can find a contact for me for both the Andrews and Cox families. I suspect I have cousins all over the state of Arkansas! What my main object is, of course, is to find the names of the **parents of James G. Andrews**. Another link I am interested in is James

G. Andrews' father-in-law -- one Bartholomew Gates, born in 1795 in Georgia, then went to Indian Territory (he was a Mississippi Choctaw) and later went to Prescott, Arkansas, to hunt bear, and married a woman there named Joyce, maiden name unknown. They are listed in the 1850 Clark County census. Their daughter Helen, married James G. Andrews in 1855. I am also looking for Joyce's maiden name. I would be extremely thrilled to get any new information about this family. I suspect that some of these descendants now live in Clark County.

You asked for some basic information about James G. Andrews. I don't have much to add from my original letter, but we do know that a Mr. Kyle Andrew (he has dropped the "s") is still living in Delight, and is in possession of the Andrews family bible. I also have a faded xerox copy of a studio photograph of James G. Andrews. We know that he was born 26 November 1830, married Helen T. Gates on 1 November 1855. James G. Andrews died while serving in the Confederate Army around 1 May 1865. He is supposed to be buried in Harrison County, Texas (just over the state line) but a cousin of mine who has been searching for his grave so far has been unsuccessful in locating it. James G. Andrews and Helen T. Gates had five children, two daughters and three sons. One of the daughters, Mary Catherine Andrews, is my paternal grandmother. She died long before I was born.

I will contact by e-mail the names you gave me. Again, thank you so very much for your help. If ever you run across anything, please let me know - I will pay for all postage and xeroxing costs. I would be interested in receiving family group sheets, pedigree charts, anything at all. I do have a copy of a petition regarding the estate of James G. Andrews, filed in Clark County, filed by his widow to claim his estate.

Sincerely,

Kathleen C. Vaughn

I am interested in receiving "The Gems of Pike County, Arkansas." I am told that the Spring 1997 issue contains information on Mary Ann Bittick, Rosa Ann Ballew, and Solomon Melson. I am researching the Melson and Frazier families, among others The Frazier family lived in Pike County from around 1890 to 1903. The Melson family were there much sooner.

Please send me the information regarding a subscription, and any information you can provide as to what may be available on these two families. My wife is the daughter of the late William Melson Frazier of Washington, Arkansas, who sprang from these two lines

July 17, 1997

Dear Sirs,

I am trying to find out information on William T. Bell and his wife Elizabeth _?_, who I believe are my 2nd great-grandparents and the parents of my great-grandfather James Thomas Bell. William T. Bell was a confederate soldier from Kentucky who was in Co. G, 3rd Tenn. Cav. He drew a Confederate Pension from Arkansas and he died March 11, 1913 in Pike County. Elizabeth died sometime after this date as she applied for a widow's pension in 1913. I know that they were in Pike County from 1901 and probably went there in the 1890s from Daviess County, Kentucky.

In 1870 and 1880 they are in Daviess County, Kentucky. Their children were, Margaret born about 1858, James Thomas born in 1860, Mary E. born about 1862, Ida born about 1865, Susan A. born about 1868, and Lillie M. born about 1872.

I have not yet looked at the 1900 and 1910 Pike Co., Arkansas Census for them, but will as soon as I can. I think that the family left Kentucky around 1883 and went to Sumner Co., Tenn. This is where my grandfather Follice A. Bell was born in 1887. They didn't stay long there and then I believe all of the family left Sumner Co., Tenn. And went to Arkansas. They went to Fulton Co., Ark. around 1890 and James Thomas Bell stayed here from about 1890 to 1910. I believe that his parents William T. Bell and maybe some of his sisters went on to Pike County, Arkansas. Some of the sisters may have stayed in Fulton Co. I don't have any of their married names and who they married. I do have a picture of a Ben Hellman and on the back it says he is a cousin to my grandfather, Follice A. Bell. If this is so, then one of the girls would have married a Hellman. The picture was probably taken in the early 1900's.

Also, I have sent to Little Rock for a copy of William T. Bell's pension application. Hopefully this will give me some new information. I have been trying to find James Thomas Bell's parents for a long time and think this might be them. I believe it has been harder to find them, because James Thomas Bell was the only male child, and the only one to have the Bell name.

If you have anyone in your society who is descended from William T. and Elizabeth Bell or any information on him, I would appreciate you letting me know. We have a week off in August and if I can find out more we are going to try and come down to Pike County and find their graves.

Thanks you for any assistance you can give me.

Does anyone know who was the Erwin/Irvin Price found on early Pike Co. tax lists in the late 1830s-1840s? Where was he from? Was he related to Samuel Kesterson, who lived nearby? Was there a connection to Joseph Price, 1840 in Sevier Co. or to Michael Price of Sevier/Howard Co. AR, 1848-1870's? Have some information to share on both Price and Kesterson lines.

If you have data of Pike County interest that you would like printed in *The Gems*, please share it with us.

We are sorry to report that we have lost some special people from our group **B** to those people who lost their loved-ones, we of PCAHS wish to convey our condolences:

William P. Cooley, father of Andy Cooley, Carl Dollarhyde, a PCAHS member as well as genealogist and a very active member of the McCurtain County, Oklahoma Genealogy Society. Mrs. Verna Hunt Webb **B** mother of Melinda Webb Stone, librarian for our Heritage room. Mr. Scott, father-in-law of Cindy Scott. Ralph Stewart, brother of Emma Stewart Scoggin.

Austin Bell, James Ottis Harris and Bernice Harris Bell Craig **B** cousins and aunt of Shane Hill.

And Meekie Hipp Alston, age 99, the daughter of Samuel Lonzo Hipp & Nancy Francis Davis and relative of Janell Roberts and Grace Case. And Mrs. Lorraine Adell Reeves, sister-in-law of Sue Stevenson.

We now have our second printing of 1000 copies of our picture book **AA** *Look at the Past*. Please help us sell them. The Murfreesboro Community Foundation has reprinted their **A** *Murfreesboro Heritage Cookbook*, 1989. This is a very attractive 186 page, indexed, cookbook and one I'm sure you people would enjoy very much. They are \$12.50 + \$2.50 S&H. PCAHS will pass along your orders.

Cindy Scott is back to work on the new cemetery book. We hope to have it published by the end of the year. If you recall any unmarked graves in Pike County Cemeteries or if you have placed a new marker on an old grave, please tell us.

Cindy Scott's new address is:
1801 Valdez Dr. NE
Albuquerque, NM 87112
E-Mail: shadowone@mindspring.com

Don't forget that Cindy would like to put your Pike County families on her Pike County Database. No profit to her or PCAHS.

To those people who made donations to PCAHS, we thank you. To those who bought publications from PCAHS, if you find an obvious name mistake or age, please tell us, so we can record the mistake on our masters for future publication. We found several corrections for the marriages. Just ask and I'll send the corrections.

PCAHS would like to thank these people for helping us keyboard for the 1920 Pike County Census and the Pike County School Census. Both of which, we hope to publish in the fall. Those people are Sue Stevenson, San Juan, Texas; Tim Kirkham, Winston, Oregon; Joyce Couch, Nathan, Arkansas; David Tipton, Cape Canaveral, Florida; Cynthia Keheley, Dallas, Texas; and Mary J. Fiege, Redman, California;

Shane has received many interesting E-mail messages. We try to answer these, but would you believe that we get messages of names that we never knew existed in Pike County. Therefore, we will try to include some of those messages in *The Gems*. Have you viewed Shane Hill's Pike County Homepage? He doesn't mind people telling him how fantastic it is. He won the Arkansas GenWeb Award for Pike County as the best Arkansas county homepage for July. There were 1,540 visits to the Pike County page between June 21, 1997 and August 30, 1997. He is most appreciative of David Kelley's donation of his web page material to the Pike County Genealogical Homepage.

PCAHS is trying to find a new home in which to store our archives and collections. The Pike County Courthouse has retrieved the rooms loaned to use in the mid-1980's. So far, we've not found suitable space that is acceptable or affordable. The Pike County Courthouse is in great need of our space and has done much modernizing and made many renovations.

I have received many letters and phone calls this past year. I always enjoy both and wish I could be of help to everyone who comes calling. Some of the phone calls led to visitors coming to Murfreesboro. I enjoyed a visit from Don & Joyce Monk, along with 5 other family members from Yoakum, Texas. I showed Don & Joyce cemeteries all over the county where Woodalls, Foxes and Bissells are buried. The Monks made rolls & rolls of pictures. They were very fortunate to meet Otis & Myrl Faulkner Dyer **B** PCAHS

members from Umpire, Howard County, Arkansas. They also met Maizie Fox Cook and her sisters of New Hope and Delphia Tigue of Woodall Valley. I was sorry to have missed Eunice Fox Fontenot of Gretna, Louisiana. She made the same trail as did the Monks. I felt very please to be able to help these two make contact with each other.

Rev. Glen L. Ward of Grandbury, Texas came to Murfreesboro to research his ancestor Isaac Ward. No his Ward only lived in the middle of the Pike County Wards **B** no known relation. He returned to the area for the Ward reunion bringing his father. We did find a picture in the picture book matching one that he had. This was placed in the book by Mr. Ray Bowen, who is deceased. Can anyone help us find relatives of Mr. Bowen?

I'm sorry I also missed meeting Dr. Charles Clark of Texas, who came to Pike County to research his White family. I believe he made contact with PCAHS people who are currently working on his line. B.J. Sparks dropped by on his way to the Lightfoot reunion. B.J. always enjoys his trips to the Murfreesboro area. I also missed a visit from Hazel Lee Williams from Bremerton, Washington and Sue Ferguson from Coeur D'Alene, Idaho. We had a visit at our June 1997 PCAHS meeting from Mary Catherine Ewton of Lafayette, Louisiana. She is related to the Duncan family of Pike County.

I attended Jim Smedley's Smedley family reunion in July. It was a big success. I really enjoyed meeting my cousins Tom and Charles Parsons, who were also attending. The Parsons and I share some ancestors.

The crowd at the Cooley family reunion was small, but a very good time was had by all.

Many of your query requests were sent on to David Kelley. The copy is filed in the Archives. I am sorry if I missed your requests for help. Hopefully, we will catch up soon.

Don't forget the Woods reunion in October.

PCAHS PROJECTS

The printed 1870 Federal Sevier Co., Arkansas Census by Shane Hill & Dorothy Kennedy Partain is ready! They are \$18.50. (See publications)

The Pike County School Census. These records, stored in our archives, start in 1931 and run through the 1980's. We inherited these census sheets from the last County School

Supervisor, Mr. Charles Pickett. PCAHS is printing the 1931 to 1950 or earlier if consolidated schools. These census sheets tell the names, birthdates and parents of all school age children in these years. We did not print the actual addresses. The publication can be a very useful genealogical research tool. More in the fall *Gems*.

Congratulations to Dorothy Kennedy Partain who was voted at the September 4, 1997 meeting to be given a lifetime membership in the PCAHS for her many hours of devoted work for PCAHS.

GENEALOGY HUMOR

YOU KNOW YOU'RE AN ADDICTED GENEALOGIST

- ...when you brake for libraries.
- ...if you get locked in a library overnight and you never even notice.
- ...when you hyperventilate at the sight of an old cemetery.
- ...if you'd rather browse in a cemetery than a shopping mall.
- ...when you think every home should have a microfilm reader.
- ...if you'd rather read census schedules than a good book.
- ...when you know every town clerk in your state by name.
- ...if town clerks lock the dorrs when they see you coming.
- ...when you're more interested in what happened in 1697 than 1997.
- ...if you store your clothes uder the bed and your closet is carefully stacked with notebooks and journals.
- ...when Stewart, Taylor, and Rose are household names, but you can't remember what you call your dog.
- ...if you can pinpoint Harrietsham, Hawkhurst, and Kent on a map of England, but can't locate Topeka, Kansas.
- ...when all your correspondence begins, "Dear Cousin,"
- ...if you've traced every one of your ancestral lines back to Adam and Eve, have it all fully documented, and still don't want to quit.
